

Community Street Parade Mosman Sunday 17 September 2006 Festival of Mosman 2006

The Principality of WY
marched in the Parade in the spirit of friendship with Mosman.

Prince Paul and Princess Susan and members of the Serene Court of The Principality of Wy were led by the famous “Golden Wycycle”, the official vehicle of Wy, which was artistically adorned with flowers in the spirit of Springtime. They were greeted with delight by those on the official stand at the Town Hall. Prince Paul gallantly kissed the offered hand of the Mayor to the applause of the crowd watching the Parade.
